Fishing Trip at Smith Lake

June 26th we are going to Smith Lake and fish with Billy Willy. Leaving care center at 9:30 a.m. will have a picnic lunch at the lake's shelterhouse. We have another one scheduled for late August. Kossuth County Conservation furnish everything for fishing and we don't need a license.

<u>Month</u>	<u>Flower</u>	<u>Birthstone</u>	<u>Colors</u>
June	Rose	Pearl	Grey & Maroon

June: Rose is the flower of this month. Though roses are available in many colors from red to pink to white to yellow, all with their own special meanings, the underlying message the flowers convey is that of **love** and passion.
