Month Birthstone Flower Color

October Opal or Tourmaline Marigold Navy & Siler

October: Marigold or **Calendula** is the flower associated with October. For the **Hindus**, the month of October is associated with festivals like **Dusshera** and **Diwali** and Marigold, and suspicious flower is mart of religious ceremonies. However, in the **English** culture, marigold stands for **sorrow** and sympathy.

Thank You!!!: The Titonka Care Center Helpmates for the money you raised from the Ice Cream Social for the chairs and another recliner. We appreciate your helping us, take care of our residents better with the right equipment. Thanks to all who supported the helpmates in making their goal come true.

Thanks to the community members who brought cookies in for the residents. They enjoy them very much.
